iMac user Manual I don't often read computer manuals but I read this one. I started just to look for an answer to a question but this was written in terms I understand and I found it interesting to see what all this computer could do.

iMac Essentials on Apple Books

iPhone and iPad user guides I have not yet read these although I would really like to. The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it automatically went to my Apple Pay.
