Original Item: Released from British Ministry of Defense stores in the 1980s; these are original Silk Escape & Evasion Maps issued to Air Crews and Special Forces. Printed on 100% silk then treated with Pectin to preserve printing clarity, these maps were unaffected by water and silent to use. Originally developed and issued in WWII, each of our maps bear the original WWII era dates with ...

ANSWER: Airworthiness Directives (AD) are issued when the FAA finds that an unsafe condition exists in a product (aircraft, aircraft engine, propeller, or appliance.) These AD's notify aircraft owners and operators of potential unsafe conditions and require special inspections, repairs, or alterations to correct the unsafe condition.
