Lake Effect Two Sisters And

"In Lake Effect Nancy Nichols beautifully weaves together the story of her sister's death and her own ill health with the equally compelling story of her hometown of Waukegan on Lake Michigan's shores. Her quest to make sense of her family's devastating illnesses and the region's toxic chemicals is clear-eyed, eloquent, and revealing."

This book is a YA contemporary that's more in a slice of life style. Not much happens, yet the way it's written is quite charming. I read it while on holiday at the right moment & place, which contributed to the mood of the book as well :) Briggs is our main character and the one who tells the story. The main reason this book is very charming is because Briggs is a very charming character.
