Okamoto 1224DX SURFACE GRINDER SPECIAL OFFER - (1) MACHINE ONLY. ACC-DX Series Grinders are one of the most widely used grinders in existence. They are easy to operate and deliver consistent performance, accuracy and reliability unmatched by any grinder in their class.

Okamoto 1224DX Surface Grinder Special Offer - Machinery ...

On the front of the machine, open the manual feed slot cover. Use both hands to slide the manual feed slot paper guides to fit the width of the paper you are using. Using both hands, put one full sheet of paper or one envelope in the manual feed slot until the front edge touches the paper feed roller. When you feel the machine pull it in, let go.
