One key to understanding this context is to appreciate that despite decades of "win-win" and "peaceful rise" Chinese propaganda tropes, military muscularity – and, more to the point, a steadily increasing military muscularity – is central to Beijing's geopolitical vision. China has adopted a whole-of-system strategy to develop ...

Technology and Power in China's Geopolitical Ambitions ...

The prime minister's revolutionary vision for India's future bears little resemblance to its present. But when polls suggest that a strong majority of Indian society may have bought into that vision, it is time to stop and take stock. (click to enlarge) Modi's vision for India can be boiled down to strengthening the country in three ways.

A Vision for India's Future | Geopolitical Futures

The country has federal elections in September, and Merkel is under pressure. Her statement generated support from segments of the population that don't normally support her. But underneath personality and politics, there is a geopolitical reality that has been in place since 1991 and is now emerging fully into view.

Different Visions for Europe | Geopolitical Futures

His most influential and important work is arguably Foundations of Geopolitics, published in 1997. Charles Clover writes in his excerpt from "The Unlikely Origins of Russia's Manifest Destiny" that the text is "one of the most curious, impressive, and terrifying books to come out of Russia during the entire post-Soviet era, and one that became a pole star for a broad section of Russian ...

Putin's Geopolitical Policy Paradox in the Arctic

German nationalism is an ideological notion that promotes the unity of Germans and German-speakers into a nation state. German Nationalism emphasizes and takes pride in the national identity of Germans. The earliest origins of German nationalism began with the birth of romantic nationalism during the Napoleonic Wars when Pan-Germanism started to rise. . Advocacy of a German nation-state began ...
