Much has been written about recent legal ethics opinions, such as State Bar of California Opinion CAL 2015-193, addressing an attorney's duty of competence as it relates to e-discovery and electronically stored information (ESI). However, much less has been written about how to become more competent in e-discovery matters. In short, the California ethics opinion states that an attorney ...

SELECTED - Select your country

Consider legal and tax issues when selecting a business structure. When beginning a business, you must decide what form of business entity to establish. Your form of business determines which income tax return form you have to file. The most common forms of business are the sole proprietorship, partnership, corporation, and S corporation.
