West Coast Modern Architecture Interiors

West Coast Modern Architecture, Interiors & Design By Zahid Sardar Photographs by Matthew Millman. Architects and designers are breaking new ground in the West, incorporating tested ideas with modern technologies, materials and concepts in thrilling and sustainable designs.

West Coast Modern: Architecture, Interiors & Design ...

West coast contemporary is one of my favorite design styles of residential homes. While this style is often referred to as West Coast modern, that's not correct. West Coast Modern was a style in the 1940's and 1950's. The West Coast Contemporary style softens the purely modern look by adding warmth to both the exterior and interior with extensive use of wood.

32 Best West Coast Contemporary images | House design ...

A fireplace with a modern concrete surround serves as a focal point. Throughout the room, a variety of textural elements in natural tones were used: a wool rug, fur throws and a shimmery velvet ottoman. End tables in slate grey ground the space as black might do, but are more true to the Pacific Northwest's hazy skies.

Interior: West coast modern | Style at Home

West Coast Contemporary reflects classic cabin designs with a modern twist. The mixture of classic design and modern innovations depends on the designer. Some buildings are more modern, and some are more traditional. But natural raw appearances are always seen creating a very recognizable and original architectural style.

Inform Interiors — West Coast Modern | Real Estate Agents ...

The newly built or remodeled homes are comfortably modernist in form and mostly warm and natural in materials; many are prime examples of the region's strong modern aesthetic. [Also finding their curious way into the book is a 100 year-old Mediterranean-style cottage ("seemingly untouched" by a recent renovation) and a 5,700sf, windowless, whitewashed, `art cave.']
